We enjoyed our Partnership with Iris Global for 5 years and the ministry God has blessed the children of Rwanda and the Ministry through Iris Global. Unfortunately, Iris has decided to support Children from another country in Africa so we are worried that this child will go back to street where he was before, and his dreams will not be achieved yet God gave you this children to hold his hands so that he may achieve his dream.

Thank you so much for your generous donation to nations discipleship and healing Enterprise international (Ndahei-Rwanda). It really makes a difference for the children and their families in our community. On behalf of children, his parents and on behalf of Ndahei, we take this opportunity to thank you for the important role you have played in all these years so that the child continues to study to achieve his dreams and his family. The donation received has really impacted his life such as education, health insurance and social welfare.

KINDLY REQUEST YOU TO WORK WITH OUR NEW MINISTRY PARTNER
