MILK PROGRAM

We have student in ECD has Our wonderful Early Childhood Development (ECD) program caters to children aged 3 to 6 years, providing a nurturing environment for their growth and development. Starting this week, we are thrilled to announce that our little ones will now enjoy a nutritious treat of milk and porridge from Monday to Friday! Ensuring they have the energy and nutrients needed for a day full of learning, play, and exploration. We are committed to creating a supportive and healthy space for our young learners, where they can thrive and flourish. Here's to happy tummies and happy hearts in our ECD program!

KINGDOM ZOO

Sharing short animals for our Beneficiaries & teaching them to Agriculture

Kingdom Farm Zoo is a beautiful community farm, based in Rwamagana, dedicated to producing healthy food, and teaching the community about farming and agriculture, while inspiring people through the miracles in nature found at the farm. The Farm provides work for community members, and the harvested crops are shared among the community. The family more than 20 we share goats and pig in three years
